Dear Ms. Goetschius:

The purpose of this letter is to advise that effective July 1, 1999, the monthly premium for the child/children of a family with an income above 225 and below 300 percent of the federal poverty level will increase from \$65.00 to \$68.00. This increase is mandated by Section 208.640, Revised Statutes of Missouri, which requires parents and guardians of uninsured children with family incomes between 226 and 300 percent of the federal poverty level to pay a monthly premium less than or equal to 133 percent of the average premium required in the state's current Missouri Consolidated Health Care Plan. No increase in co-payment amounts is required.

Notices have been mailed to the MC+ enrollees subject to premium payments before June 1, 1999; enclosed is a copy of that notification.

If you have any questions please do not hesitate to contact this office.

Sincerely,

Gregory A. Vadner
Director
